Hygienic All-Weather Outdoor Furniture Made From 100% Recycled Plastic

INTRODUCING furniture outdoors to optimise your available space is a great way to create safe and comfortable recreation areas for your staff and customers to enjoy.

When considering your outdoor furniture, recycled plastic is the perfect choice, as the material looks like timber but can last outside all year round without the need for annual maintenance. Our recycled plastic furniture is offered at competitive prices and comes with a market-leading 25-year warranty! It is extremely hard wearing, guaranteed never to split, chip, crack, or rot, and the non-porous properties make it easy to clean between uses.

In fact, recycled plastic can last up to 5 times longer than timber! The material's longevity makes it the perfect cost-effective alternative where regular use is expected.

Inside the latest catalogue, you will find our most popular ranges available with fantastic savings, including the best-selling Standard Picnic Table on page 7, which comes with a saving of up to 20% when bought in bulk. You will also find the Bosun's Table & Chairs Set on page 31. Buy as a complete set today and save up to £125!

Please do not hesitate to contact us to discuss your requirements. You can call us on **0800 1777 052** or email sales@recycledfurniture.co.uk.

We look forward to hearing from you.
